Below is some of the children's thoughts!

At Wimbleball lake we did some activities. They were fun. We did climbing, maps and problem solving with Miss Roberts. - Chloe Hoadley

We took a bus to Pinkery and walked up the hill to the centre. I looked in my room and went to the common room. - Alex Foster

I was happy because we were having a sleepover at Pinkery. - Connor Stevens

I liked going for a walk and going in the dark cave. - Joshua Savage

The next day we did some archery and I really enjoyed it. We went for a walk in the river and it was cold. - Mason Raymond

Year 4 PGL Visit to Barton Hall

Friday 9th July - Sunday 11th July

On Friday 9th July we came to school with all our bags and waited for the coach to come and take us to Torquay. We went to pick up the children from Old Cleeve and went to Meadfoot beach. We had our lunch on the beach and we played for 3 hours. After that we went to this sort of rocky beach and each of us got an ice lolly. Then we got back on the coach and went to PGL.

Lawrence Pearson & Jack Perkins

On Saturday we went on the zip wire and aeroball. The giant swing was our favourite activity. We also did the trapeze on Sunday which was quite scary. We did abseiling which was fun!!

Ash & Fir Class Trip—Tuesday 29th June

We walked from School to catch the steam train to Bishops Lydeard. When we arrived we had a look around the museum on the station—we loved working the signals. After that we went to the park to eat our lunch and then walked up through the village to Bishops Lydeard Mill. This is a working mill where we learned how to grind corn into flour. Outside we could watch the water wheel turning and look at all the lovely baby ducks. We came back on the steam train. It was a lovely day and we were all very tired!

On Friday 18th June Ash Class walked through Aller Farm and woods to compare our environment with the Isle of Struay where the fictional character, Katie Morag lives. On Thursday 15th July we held a Katie Morag day in class and all dressed up as characters from the stories. We baked some Scottish shortbread and oatmeal biscuits. We started the day with porridge and held our own show where we entered our toy animals into different categories ranging from best hooves to longest horns. We also had a competition for best floral arrangement and best costume. Mrs Troman came into school to judge our entries. In the afternoon, we invited Ash Class parents to watch our Highland games where we had competitions for wellie wanging and tossing the caber and did some Scottish dancing. Finally we all ate the biscuits and shortbread!

Non Uniform Day — 2nd July

Children came into school dressed in rainbow colours and made a donation to raise money for playground equipment.

Total raised was £71.25
